Following the Open Q&A, we plan to use the **first Sunday evening of each month** for **either a Defending the Faith evening or a Praise & Testimony Service**. These gatherings are intended to strengthen and encourage the fellowship in different ways, and the format will vary from month to month as we seek the Lord's leading. Please keep an eye on the weekly emails and Fellowship News for details of each month's meeting.

Creation Ministries International Friday 4th September 7.00 – 9.30 pm

We are pleased to welcome two speakers from Creation Ministries International, Dr Lucien Tuinstra and Professor Stuart Burgess, for an evening exploring the relationship between science and the Bible. Equipping Christians to give thoughtful answers, and evidence of design in the natural world, this promises to be an informative and encouraging event. Everyone is warmly invited.

Defending the Faith

Our monthly **Defending the Faith** evenings have been a great encouragement, providing opportunities to think carefully about difficult questions, learn from one another, and grow in confidence in the truth of God's Word.

Our next evening will take the form of an **Open Q&A**, where you are invited to bring your questions about the Christian faith. A panel of elders and others from within the fellowship will seek to answer them thoughtfully and biblically. Whether your question is one you've only recently considered or one you've wrestled with for years, we'd love to hear it.

Rachel passed her driving test, with the **peace of God, which surpasses all understanding. Praise Jesus!**
